TO: DOX Cooperative Board
2219/2235 Fairview Avenue East
Seattle, WA 98102

DATE: _____

Dear DOX Board:

We would like permission to bring a dog onboard.

We understand that having a pet is not a right but a privilege, and that ownership carries with it very definite responsibilities to see that pets do not become a nuisance to neighbors. We agree that the Board has the recourse of removal should the pet become a nuisance, and no other alternative is possible.

We understand that it is customary for at least one Board Member to arrange to meet the dog as is a majority Board approval **PRIOR** to the dog living on the docks; and, we agree to abide by this. If the Board does not disapprove a dog within 7 days of the request, it can be assumed that approval has been given.

We have read the Rules for Neighborly Living and understand and agree with the DOX pet policies. We want the Board to know that we will commit to be responsible dog owners.

Thank you...
